Notes and Comments

The drive-through will be open as needed.

We would like to minimize faxing of market reports, primarily because they tie up our phone lines for hours every auction day. Please provide us with your email address.

Pallets-important-Please don't take any pallets home until you have discussed our pallet program with the auction manager.

Notice: Flowers and shrubs will be sold starting at the north yellow line and working south. Place your flowers and shrubs as far north as possible.

Starting Monday, July 7:

- All flowers and shrubs go on the north yellow lines.
- All pecks(except onions and fruit) go in the peck rows.
- Only large lots on the blue lines. If you don't understand this ask the auction manager or Andy Yoder.
- Only one split per pallet allowed. Place your lots accordingly.
